STATEMENT OF GWILYM ATTWELL

The above-identified patent application was filed with the U.S. Patent and Trademark Office on March 8, 2001, as evidenced by the Express Mail Label (copy enclosed herein). The return Post Card was stamped as being received by the Patent and Trademark Office on February 28, 2001.

The return postcard was received by our mail room on March 27, 2001. On March 29, 2001 we noticed the discrepancy between the date we actually filed the application March 8, 2001 and the filing date accorded us by the U.S. Patent and Trademark Office (February 28, 2001). The discrepancy appears to be the result of a clerical error on the part of the U.S. Patent and Trademark Office. Applicants respectfully request the correction of the filing date for the above identified to read March 8, 2001.
